

Salzberg 2013

CHARACTER

A black heart with a good soul. This wine is packed with well-textured concentration and fleshy spice that must first be unleashed. It demands attentiveness, air, patience and a large glass before revealing its true nature. Dark berried fragrance beguiles, evolves and turns the 2013 Salzberg into a deep, unfathomable mine in which numerous treasures are discovered. Fraught with tension, powerful and sure-footed, it possesses abundant yet fully integrated tannin and a firm spine of acid. It knows well its strengths, yet feels no need to put them ostentatiously on show. Majestic dignity has only a positive and long-term existence when the power exercised is in consonance with a healthy self-assessment and deeply rooted groundedness.

ORIGIN

Salzberg is the name of one of the oldest and best vineyard slopes in Gols, which faces southwest and is dominated by red gravel from the ice age mixed with fine-grained sandy-loam sediment. We take advantage of this soil versatility with the varieties Blaufränkisch (50%), and Merlot (50%).

GENESIS

Bottled with conscientious handcraft and great care throughout the entire life cycle. The vineyards are cultivated according to the biodynamic regulations of Respekt. Handpicked mid-October 2013, spontaneous fermentation, three weeks maceration on the skins in wooden fermentation vats, gentle basket press, 30 months maturation in 500-litre oak barrels.

SOBER FACTS

50% Blaufränkisch, 50% Merlot • 14% vol. • 5.6 g/l acidity • 1.0 g/l residual sugar • bottle sizes (l): 0.75, 1.5, 3.0, 6.0
Bottled mid-August 2016
