

# HEINRICH

## Blaufränkisch Alter Berg 2012

### CHARACTER

Dark ruby with an opaque core and purple highlights. Blackberry fruit, subtle notes of tobacco and a touch of cornel cherry on the nose. The tannins are nicely integrated and juicy acidity pleasantly highlights the cool freshness. The finish is long and spicy. Superb ageing potential.

### ORIGIN

These vines thrive on the southeast exposed slopes of the Leitha Mountains in Winden. They benefit from the cool breeze from the forest above and enjoy a view of Lake Neusiedl below. Giant cherry trees grow between the vines and one finds numerous millions-years-old fossils from an ancient sea. The meagre limestone dominated soil lends the wines extraordinary mineral character.

### PRODUCTION

Bottled with conscientious handcraft and great care throughout the entire life cycle. The vineyards are cultivated according to the biodynamic regulations of the Respekt association. Hand picked at the beginning of October. Fermented in wooden vats with three weeks on the skins. Matured for 20 months in used 500-litre barrels.

### THE NUMBERS

100% Blaufränkisch • 14.0% Vol. • 5.8 g/l acidity • 1.2 g/l residual sugar • Contents (L): 0.75, 1.5  
Bottled mid-July 2014.
