**Characteristics:** This Austrian showcase variety reveals an aroma of fresh blackberries accompanied by a floral scent. The characteristic spiciness is underscored by a licorice expression. On the palate are vibrant red berry notes and fresh tones of ripe sour cherries. An elegant texture with a subtle but long, mineral finish.

**Origin:** 10 - 25 year old vines in optimal sites of the Heideboden, on the southern slopes of the Parndorfer Platte, as well as on the Leithagebirge.

**Vinification:** Harvested by hand from the end of September to mid October 2008; selection in the vineyard, with very careful follow-up selection on the sorting belt in the winery; processed according to the gravity principle (without the use of pumps); spontaneous fermentation in steel tanks at 28 to 32°C; pumping over with Pulsair system; malolactic fermentation in steel tanks; aged in oak fermentation vats and twice-used barriques; bottled at the end of November 2009 and May 2010 with glass closures.
