

Wine Enthusiast – September 2019

ADVANCED BUYING GUIDE

HEINRICH Graue Freyheit 2017 – 92 points

“Saffron and iron oxide hints on the nose have a notion of stone and orange peel. The palate comes with exquisite slenderness and stony, bright citrus, reminiscent of dried orange peel. A lovely phenolic web of tannins gives structure and fine poise, while the finish is resolutely dry and wonderfully fresh. A very elegant orange wine.”

HEINRICH Naked White 2017 – 92 points

“Melted butter richness on the nose combines with purest notes of fresh apple and hints of dried orange peel. The same creamy intensity surrounds the palate, pervaded by intense green apple freshness. This is both rich and slender, unusual but beguiling with its dry, vivid finish.”
